

Bellringers 10/12-10/14

See the class website at [mrsgrollhistory.weebly.com](http://mrsgrollhistory.weebly.com), under the calendar tab for the films and timeline for these questions.

10/12 After watching the brief video clip, explain how obelisks were made, transported, and put into place.

10/13 Looking at the timeline, restate and answer: What date did the Ptolemaic period begin?

10/14 Describe the Rosetta stone. Why was it important?
